# INTRODUCTION

Both Rugby School and Kukri Sports strive for quality, diversity, professionalism and teamwork, and share equal passion for the game created at Rugby School in 1823 when pupil William Webb-Ellis first picked up the ball and ran with it on the now world-famous Close.

Facilitating access to a multitude of sports, particularly encouraging female participation, means Rugby School is strongly aligned with our vision to inspire each individual's sporting journey. Teamwear creates a legacy of our time in sport; we now have a fantastic opportunity to showcase our shared values around continuing to develop physical activity at the School.

Our product is designed to meet the needs of young athletes, with the range as comfortable and practical off the field as it is high-performance on it. Rugby School continues to develop one of the leading sports programmes in the country.
